Be Green!

Environmentally Focused

- 100% of the iron used to make Vestal castings is **scrap metal**.
- Thousands of tons of **scrap metal**, that otherwise may be scattered across the country or dumped in landfills, are recycled annually.
- Approximately 96% of our green sand is **reclaimed** daily and reused in our molding process.
- Closed loop water system provides **reduced water** consumption by 20 million gallons of water annually.
- Energy **efficient lighting** in all Vestal office and manufacturing facilities.
- All excess cardboard is accumulated and sent to a recycling center.

TERMS AND GENERAL INFORMATION

TERMS:

Terms will be specified on each individual invoice. A service charge of 1 1/2% per month (18% ANNUAL RATE) will be assessed for all past due accounts. Where applicable, the service charge will be adjusted to meet state legal requirements.

PALLETIZING MATERIAL:

Certain Vestal products must be palletized for shipping at a net charge per pallet. There is also a net charge for heavy wooden shipping boxes. The boxes and pallets are not returnable.

DAMAGES, SHORTAGES OR LOSS IN TRANSIT:

Merchandise is inspected and counted before loading. Please inspect carefully on receipt of merchandise, noting any discrepancy or damage on the carrier's freight bill AT TIME OF DELIVERY.

Discrepancies or damage which obviously occurred in transit are the carrier's responsibility, and related claims should be made promptly, direct to the carrier. DEDUCTIONS FROM INVOICES FOR SHORTAGES OR DAMAGE CLAIMS WILL NOT BE ALLOWED.

Our responsibility as shipper ceases when goods are delivered in good order to the transportation company. We assume no liability for merchandise in transit. We will, however, render all possible assistance in recovering lost goods or in filing claims by consignee.

PRICES:

Subject to change without notice. All merchandise will be invoiced at prices in effect at time of shipment.

HANDLING CHARGE:

UPS shipments are assessed a \$4.00 charge per shipment. Quantities will be rounded up to the next even bundle unless specifically requested, then special charge will apply. A special \$5.00 handling charge will also be assessed on any product when quantity ordered is less than standard package.

RETURN GOODS:

Return goods will not be accepted without written authority from Vestal Manufacturing. A minimum charge of 20% will be made for handling, inspecting and repackaging items returned for credit. All returned goods must be shipped transportation charges prepaid. DEDUCTIONS FROM INVOICES FOR DAMAGES, DEFECTIVE, AND SHORTAGE CLAIMS WILL NOT BE ALLOWED.

TAXES:

Prices do not include sales, excise, transportation and other similar taxes present or future.

DELIVERY:

Shipments and deliveries are, at all times, subject to approval of our Credit Department. Delivery is contingent on floods, strikes, acts of God, or any other causes beyond our control.

PART CODE:

When placing orders, please give part code first, then model number.

PLANT CLOSINGS:

**Vestal Manufacturing always closes the weeks of July 4th and December 25th.
No shipping, receiving, or production will occur during these times.**

Originally designed and crafted by Americans, Vestal products are the most widely accepted in the industry. Over sixty years of producing goods of proven performance, quality, and durability for home and industry have made Vestal Manufacturing the leader in its field.

Our complete and diversified line of metal building products is accepted by architects, builders, and homeowners. Fireplace accessories add taste and distinction to any hearth. Our modern foundry produces all our cast iron products as well as municipal and O.E.M. castings. We currently produce specialty castings for some of the largest and most recognized companies in America. More information on our foundry capabilities is available upon request and we invite your inquiries. Vestal products are also sold internationally by the finest dealers and distributors.

We are grateful to all customers who have made possible the growth of our company and the widespread acceptance of our products.

OUR MOST VALUED ASSET...A SATISFIED CUSTOMER!

When Selling Vestal Products Don't Miss The Extra Sale!

Part Code 88-031

Model# LAG-3

- 10 LAG Bolts and Washers per box
- Every punched angle iron sale should include Vestal's convenient and economically packaged Lag Bolts and Washers
- 50 boxes per Master Carton
- 36 Master Cartons per Pallet
- Master Carton weight 43 lbs.
- Imported

Part Code 86-012

Model# GWT-2.5

- 500 Galvanized Wall Ties Nails per box
- Every Wall Tie sale should include Vestal's convenient and economically packaged Galvanized 2 1/2" Wall Tie Nails
- 12 boxes per Master Carton
- 36 Master Cartons per Pallet
- Master Carton weight 60 lbs.
- Imported

Outdoor Fire Pits

Round

Model No. R-FPFG
Part Code: 28-006

- * 32" I.D. Round Fire Pit
- * Includes removable flip grill with cool-to-the touch spring handles
- * 11 gauge solid steel
- * High heat paint finish
- * 6 1/2" height with 1 1/2" lip
- * Product weight: 60 lbs.

Model No. R-FP
Part Code: 28-007

- * 32" I.D. Round Fire Pit
- * 11 gauge solid steel
- * High heat paint finish
- * 6 1/2" height with 1 1/2" lip
- * Product weight: 41 lbs.

Model No. R-LG
Part Code: 28-008

- * 32" O.D. Log Grate to fit into R-FPFG & R-FP
- * 1/2" solid steel bar
- * High heat paint finish
- * 6" height
- * Product weight: 17 lbs.

Outdoor Fire Pits

Square

Model No. S-FPFG
Part Code: 28-009

- * 28" Square Fire Pit
- * Includes removable flip grill with cool-to-the touch spring handles
- * 11 gauge solid steel
- * High heat paint finish
- * 6 1/2" height with 1 1/2" lip
- * Product weight: 65 lbs.

Model No. S-FP
Part Code: 28-010

- * 28" Square Fire Pit
- * 11 gauge solid steel
- * High heat paint finish
- * 6 1/2" height with 1 1/2" lip
- * Product weight: 38 lbs.

Model No. S-LG
Part Code: 28-011

- * 28" Square Log Grate to fit into S-FPFG & S-FP
- * 1/2" solid steel bar
- * High heat paint finish
- * 6" height
- * Product weight: 17 lbs.

		Quantity	Wt. Lbs.	
MOKR	Installs either during construction or after in the rear of fireplace. Adjustable tubing 9"-10"	1	5	50-047
MOK	Installs during construction in either side of fireplace. Adjustable tubing 19"- 33"	1	11	50-048

*50 per pallet

VESTAL

V-601K SPIN-AIRE OUTSIDE AIR KIT

"Seals Air Tight"

Warehoused & Distributed By:
VESTAL MANUFACTURING
177 INDUSTRIAL PARK ROAD
SWEETWATER, TENNESSEE 37874

GASKET DESIGNED TO SEAL the combustion air intake opening in a firebox **TIGHT** from outside air.

PROVIDES a 7" inch **PASSAGEWAY**, from the outside fresh air environment to the firebox.

MAXIMIZES ENERGY EFFICIENCY by using outside unconditioned air versus conditioned interior air for combustion.

FIRE SAFE! Burning material can't fall into combustible spaces because the intake opening is designed to be located above the hearth and as a fail-safe, the kit parts are non-combustible and surrounded by masonry.

68 sq. in. Net Free Air

The key working mechanism, the bi-metal coil, is **fully enclosed** in a **patented protective cover** relieving maintenance headaches

- Fits standard 8" x 16" openings.
- High density thermo plastic construction.
- Stainless steel and corrosion resistant metal parts.
- Color: Black, Brown or Gray
- No electrical hook-up.
- Heavy duty aluminum mesh screen - front and back.

Multi-Purpose Vent Series

Flood Flaps® Multi-Purpose Series vents are certified to provide flood protection and air ventilation. These FEMA compliant models are perfectly designed for an enclosure or crawl space in a flood plain that desires natural air while still providing efficient flood relief when necessary. The patented grill remains closed and secure until forced open by flood waters, allowing water to enter or exit the enclosed area. Certified flood debris clearance is validated with a 5.75" opening when the grill is activated.

- ICC-ES Evaluated ESR-3560
- FEMA Compliant
- Each engineered vent cover provides 220 sq. ft. of flood protection
- No preventative maintenance required

Model No.	Width by Height	Depth	Description	Standard Package		Part Code
				Quantity	Wt. lbs.	
Flood Flap	15-5/8" x 7-3/4"	5	Flood Vent With Flange Black Plastic	1	4	37-050
